

EUROLUB LANGZEITFETT LZF 2 BLAU

Description

LANGZEITFETT LZF 2 blue is a blue, lithium-saponified mineral oil-based grease.

LANGZEITFETT LZF 2 blue is suitable for the lubrication of rolling and plain bearings, and as a universal grease for motor vehicles, construction machinery and agricultural equipment, even under dusty and damp operating conditions.

- oxidation-resistant
- kneading-stable
- water-resistant
- good corrosion protection properties
- adhesive

Can be used with

KP2K-30

Delivery

Art.-No. 719400	24 x 400g	tube
Art.-No. 719500	30 x 500g	tube
Art.-No. 719005	5 kg	PET bucket, Ø 190 mm
Art.-No. 719015	15 kg	PET bucket, Ø 270 mm
Art.-No. 719025	25 kg	PET bucket, Ø 335 mm

Technical Data

Data	Unit	Method	Value
Temperature range	°C		-30 bis +120
temperature peak	°C		+130
Dropping point	°C	DIN ISO 2176	>185
Walk penetration	1/10 mm	DIN ISO 2137	265 bis 295
Corrosion protection		DIN 51802	0
Soap base			Li-12-Hydroxystearat
