

EUROLUB ÖLFLECKENTFERNER

Description

Automatically removes oil stains from floors, tanks, machinery, lifting platforms, tools, motor vehicles, and wall and floor tiles made of concrete, asphalt, etc.

- safely removes oil stains from any surface
- free from chlorinated hydrocarbons
- cleans automatically
- fast-acting

For plastic and painted surfaces, test on an inconspicuous area first. Apply undiluted generously with a brush or cloth and leave to work for approx. 5 minutes. Then scrub with a scrubbing brush or brush. Absorb with absorbent material (cloth, wood shavings). Repeat the process for stubborn stains. Take care to protect groundwater.

Special note:

Before use, carry out a compatibility test on an inconspicuous area of the surface to be treated.

Delivery

Art.-No. 815500 6 x 500 ml bottle
