KNIPEX Alligator® Water Pump Pliers

- more output and comfort compared to conventional water pump pliers of the same length: 9-notch adjustment positioning for 30 % more gripping capacity
- good access to the workpiece due to slim size of head and joint area
- self-locking on pipes and nuts: no slipping on the workpiece and low handforce required
- gripping surfaces with special hardened teeth, teeth hardness approx. 61 HRC: high wear resistance and stable gripping
- box-joint design for high stability due to double guide
- robust construction, insensitive to dirt; particularly suitable for outdoor work
- guard prevents operators' fingers being pinched
- Chrome vanadium electric steel, forged, oil-hardened
- with slim two-colour multi-component sleeves without collar for better handling and easier transport

Article No.	88 02 250 SB
EAN	4003773030256
Pliers	black atramentized
Head	polished
Handles	with slim multi-component grips
Adjustment positions	9
Capacities for pipes Ø Inch	2
Capacities for nuts mm	46
Capacities for pipes Ø mm	50
Length mm	250
Net weight g	379

Self-locking on pipes and nuts: no slipping on the workpiece; the complete actuating force can be used to turn the workpieces; not having to squeeze the pliers handles reduces the required effort

technical change and errors excepted
